The City of Redding reviews all fees annually and all or part are subject to revision without notice.

CITY CODE SECTIONS 14.08.130 (C.) & 16.20.090 (C. 2) For each utility connection made into a main that has not been constructed or financed by means of a local assessment district or through any other means in which the applicant or his predecessor-in-interest obtained a vested interest, there shall be paid by the applicant a Front Footage Fee. This charge is set forth in the City Code. (No Front Footage on water lines prior to 11/03/1983).
